

INDUSTRIAL PLATFORM SCALE

# 2000 kg Industrial Scale

## Standard model - 125x125 cm platform

This product datasheet represents the standard 2000 kg model only. It shows the default commercial product specification and standard supply scope.

Optional configurations and accessories are available on request, but are not included in this standard model datasheet.

### STANDARD MODEL OVERVIEW

#### 125x125 cm platform

2000 kg capacity - 500 g accuracy - IP68 protection

4 load cells - 1-year warranty

Suitable for production, warehouse, and internal logistics applications.

Standard weighing indicator
